

Dear Raptor Families,

To say that this year has been different is the understatement of a lifetime. We want to thank our community for your unwavering support of Richmond Street School, each and every day. We take great pride in doing our best to communicate with you information about what is going on at Richmond and what is coming up.

This is a challenge in our current situation as information is changing frequently and we have to adapt accordingly. This can make the information in a newsletter inaccurate or dated. With that said, our plan is to issue timely information via email or phone messenger when we are needing to reach all of our families, instead of posting a monthly newsletter or calendar.

Our homeroom teachers will still relay classroom information to students for parent/guardians and we have regular announcements each day for student reminders.

Please ensure we have your correct email address on file.

Thank you as always. Hoping all of you are all safe.

Sincerely,

Mr. D'Alessandro
