

Dear Students, Parents and Guardians of Richmond Street,

We are very excited to be offering Spiritwear to the Richmond Street school community. Like last year, we are in partnership with "Big Bear Spiritwear". They offer a full online order/purchase experience. The campaign will open today and remain open for the entire year.

Due to COVID regulations, a sizing kit is not available on site at Richmond Street School, but please consult the sizing chart on the website to find your appropriate size. You can also visit the store in person to make your purchase, or if you wish to try on the garment. Please be sure of your size before placing your order as there are NO EXCHANGES OR RETURNS!

Payment can be made directly to the site by credit card or PayPal and items will start to arrive shortly after purchase is made. Once again, there is no deadline for the campaign which offers flexibility to everyone's budget.

*****Please note, the cut-off to receive orders in time for Christmas is NOVEMBER 15th.**
